MEMORANDUM

FROM: PGA POA Architectural Review Committee

RE: ARC Application Procedures

TO: PGA Owners

Attached please find the Architectural Review Committee (ARC) review and approval procedures for all PGA Property Owners requesting architectural review. The procedures apply to the individual owner planning to remodel, construct an addition, pool, screen enclosure, change a house color, roof, modify landscaping or make any exterior changes to the home. The procedure for the construction of new homes apply and owners should refer to the ARC Design Review Manual for details, which can be obtained at the PGA Property Owners Association (PGA POA) office. **For further information, please contact the Architectural Review and Compliance Administrator at (561) 627-2800, who is acting on behalf of the PGA POA Board of Governors and Architectural Review Committee.**

The procedures are as follows:

1. Prepare all necessary documents. Necessary documents may include a revised site plan (survey), building elevations, floor plans, pool drawings, screen drawings, patio drawings, roof proposals, paint colors, landscape plans, and photos of the affected area.
2. Submit the approval packet to PGA POA, along with the required ARC fee (fees are determined by the type of project proposed – see attached fee schedule) no later than one week before the meeting. Note: Once approved, additions, new roofing, and other major modifications will require a refundable deposit. (See the attached construction deposit schedule). The POA will then forward the approval packet to the appropriate Homeowner (HOA) or Condo Association for review. Once approved and returned by the HOA/Condo, the PGA POA will place the request on the next ARC agenda. If the HOA/Condo does not approve the request, the POA will return the application to the owner without ARC review. A letter will also be sent explaining that the HOA/Condo denied the request.
3. The ARC meets once per month, on the third Thursday. Once the request is placed on the agenda, the ARC will review the request and respond per one of the three following categories:
  - a) Not Approved – Revise and Resubmit: The owner or builder will need to make required revisions to the request and then resubmit to the ARC for approval. Resubmittals may be subject to additional review fees.
  - b) Approved As Noted – Approval has been granted; however, additional requirements must be met (e.g.: additional landscaping, trim bands on walls, etc.).

- c) Approved – The approval has been granted as submitted.
- 4. If approved, you will be notified by the POA. Plans/applications should be retrieved at the POA office. All required POA fees and deposits must be paid to the PGA POA before approved plans can be released. The owner is responsible to obtain all permits as required by the City of Palm Beach Gardens or any other relevant authorities prior to commencement of work. The POA ARC reviews applications for aesthetic compliance.
- 5. Recognizing that on-going construction activity, if not completed in a prompt and expeditious manner, could be a source of annoyance to nearby residents, the ARC requires that once commenced, construction should be completed in a timely manner.
  - a) New homes must be completed within one (1) year from the date of ARC approval.
  - b) All paint, miscellaneous repairs and landscaping must be completed within ninety (90) days of ARC approval.
  - c) Re-roofing of any single family residence must be completed within forty-five (45) calendar days from the date of commencement. Commencement must begin within ninety (90) days of ARC approval.

After the project is completed, the owner or builder must contact the POA at 627-2800 to request a final inspection. If a construction deposit was required, the final inspection will be scheduled after the POA is contacted; it is the owner's obligation to contact the POA to request the inspection. Upon approval of the final inspection to ensure the work was completed as approved, the construction deposit will be released. Construction deposits will be refunded to the party who issued the deposit check.

Please review the attached information regarding additional procedures and fees/deposits required.

Thank you.

**ROOFS, CONSTRUCTION, CONCRETE, NEW POOL, GENERATOR PADS, ADDITIONS, DRIVEWAYS**

The owner or builder of a single-family house, addition, roof replacement, pool or other work which has the possibility of causing damage at PGA National will be required to give the PGA Property Owners Association (POA) a deposit in the amount of **\$1,500** as a condition of approval by the PGA Architectural Review Committee (ARC). The POA shall have the right to require a lesser deposit from builders owning multiple lots. Such deposit shall be used as assurance that owners/builders will keep the construction site and any adjacent property and ways adjoining in a neat, clean and reasonable fashion before, during and after construction. Further, as assurance that the owner/builder will not cause any damage to the property of others, including, but not limited to, rights of way, pavement, other driving surfaces, shrubs, trees, drainage structures and grading and as an assurance that the construction and landscaping approved by the ARC has, in fact, been completely installed as approved. The POA shall cause the **\$1,500** deposit to be placed in a separate escrow account and interest earned thereon, if any, shall be for the benefit of the POA as compensation for administering this aspect of the construction program.

In the event an owner/builder fails to comply with the requirements of the POA with respect to keeping the construction site neat or causes any damage to property, after five (5) days written notice given by the POA, if the problems have not been cured within such time to the satisfaction of the POA, the POA is hereby authorized to and may take whatever corrective measures it deems necessary, the cost of which will be borne solely by the owner/builder and paid for out of the deposit. In the event the amount of deposit is insufficient, the owner/builder shall nevertheless remain responsible for any additional costs. The POA may also deduct from the deposit any other funds owed to the POA by the undersigned and/or related to the subject property.

Upon completion of construction and after the site is left in clean condition, with any damage to property having been repaired, the POA shall immediately refund the deposit, or so much of the balance of the deposit as remains after any deductions, to the owner/builder.

In the case of new home construction, the owner/builder will deliver two sets of construction plans to Seacoast Utilities, 4200 Hood Road, Palm Beach Gardens, FL and make application for water and sewer service. The telephone number for Seacoast Utilities is 627-2900.

After Seacoast's approval, the owner/builder will deliver the two (2) sets of construction plans to the Building Department, City of Palm Beach Gardens, 10500 N. Military Trail to apply for a building permit. In addition to the plans, the application must include survey and energy calculations. The Building Department must verify the need for a building permit. Their telephone number is 775-8284.

During and after construction, it is understood and agreed that the POA will visit and enter the site for purposes of inspection. However, the owner, not the POA is responsible to insure that construction is in accordance with the approved plans. Once all work has been completed in accordance with POA approval, please contact the POA office at 627-2800 to request inspection and refund of this deposit.

**OWNER DEPOSIT AND COMPLIANCE FORM**  
**HURRICANE SHUTTERS/WINDOW REPLACEMENTS/SCREEN ENCLOSURES**

The owner of a property at PGA National will be required to give the PGA Property Owners Association (POA) a deposit in the amount of **\$100.00** as a condition of approval for hurricane shutters, window replacements or screen enclosures by the PGA Architectural Review Committee (ARC). Such deposit shall be used as assurance that owners will keep the property and any adjacent property and ways adjoining in a neat, clean and reasonable fashion before, during and after installation. Further, as assurance that the owner will not cause any damage to the property of others, including, but not limited to, rights of way, pavement, other driving surfaces, shrubs, trees, drainage structures and grading and as an assurance that the hurricane shutters, window replacements, screen enclosures and any landscaping (in regards to screen enclosures) approved by the ARC has, in fact, been completely installed as approved. The POA shall cause the **\$100.00** deposit to be placed in a separate escrow account and interest earned thereon, if any, shall be for the benefit of the POA as compensation for administering this aspect of the program.

In the event an owner fails to comply with the requirements of the POA with respect to completion of the modification as approved and/or keeping the site neat or damage to property, after five (5) days written notice given by the POA, if the problems have not been cured within such time to the satisfaction of the POA, the POA is hereby authorized to and may take whatever corrective measures it deems necessary, the cost of which will be borne solely by the owner and paid for out of the deposit. In the event the amount of deposit is insufficient, the owner shall nevertheless remain responsible for any additional costs. The POA may also deduct from the deposit any other funds owed to the POA by the undersigned and/or related to the subject property.

Upon completion of installation as approved and after the site is left in clean condition, with any damage to property having been repaired, the POA shall immediately refund the deposit, or so much of the balance of the deposit as remains after any deductions, to the owner.

During and after installation, it is understood and agreed that the POA will visit and enter the site for purposes of inspection. However, the owner, not the POA is responsible to insure that installation is in accordance with the approved plans. Once all work has been completed in accordance with POA approval, please contact the POA office at 627-2800 to request inspection and refund of this deposit.
