

VEHICLE BAR CODE PROCEDURES FOR PGA NATIONAL GATE ACCESS

The POA can only issue barcodes if you have submitted a copy of your vehicle registration and the fee in advance. **If your barcode is working you do not need to get a new one.** Only approved renters and PGA owners may receive barcodes and the vehicle must be registered to the property owner or approved tenant.

To get a barcode:

- 1. Make a copy of your vehicle registration (Do NOT give us the original registration; you will not get it back)**
- 2. Submit a check or money order payable to PGA POA in the amount of \$10.00**
- 3. On the registration copy, be sure to write your PGA Address and a phone number where you can be reached.**

Mail the above items to the PGA POA Office (7100 Fairway Drive #29, PB Gardens, FL 33418) or place the items through the mail slot in the bottom of the door at the POA office. We will CALL once we have registered the car. When you arrive for the barcode to be attached, call us upon arrival and give us your PGA address so we can retrieve the new barcode. Please DO NOT GET OUT OF YOUR CAR while staff attaches the barcode. They are attached to the outside of the rear passenger window so doors and windows can remain closed.

If you have any questions or need additional information, please call PGA POA at (561) 627-2800.
